

Clondalkin Drug & Alcohol Task Force

MAPPING EXERCISE – FUNDED ACTIONS

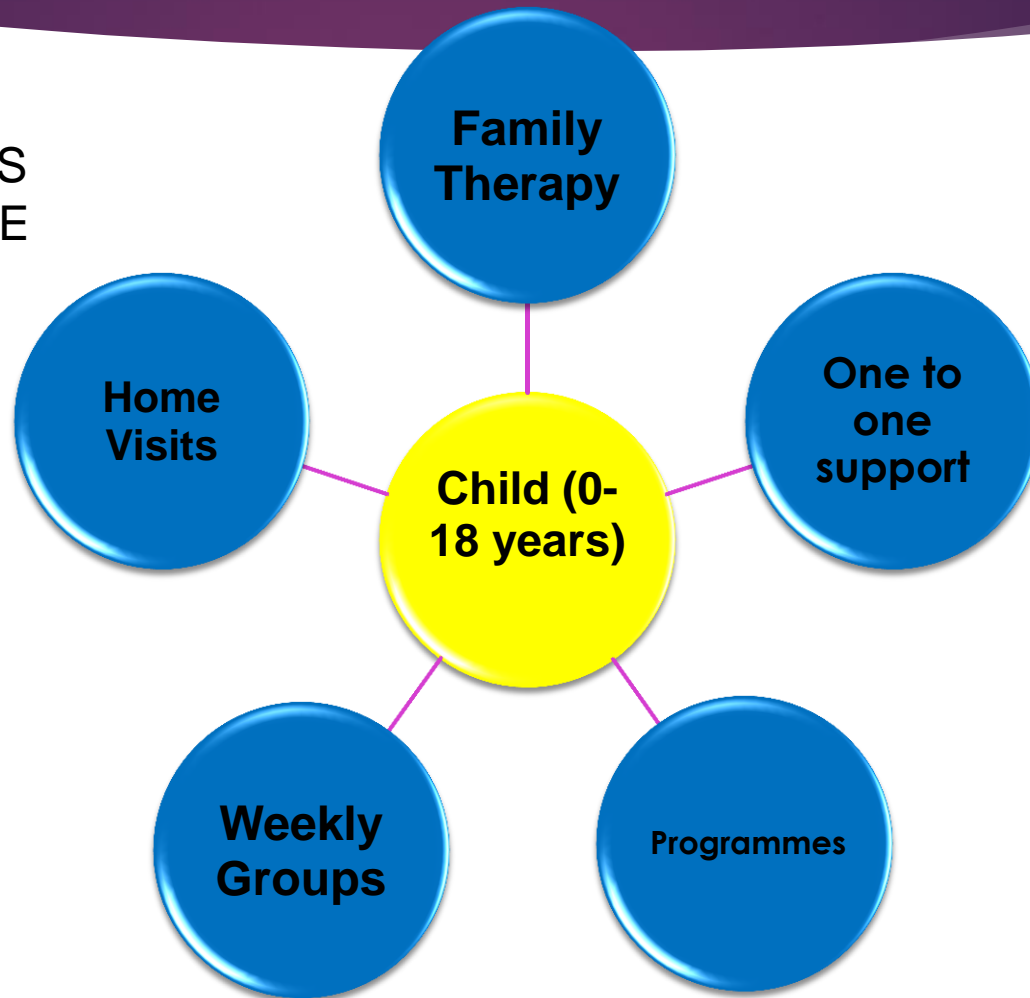

CDATF SERVICES MAP

- ▶ CDATF global allocation for the area is €1,396,062
- ▶ This does not include mainstream funding that services receive from other state agencies.
- ▶ CDATF role is to make recommendations to the DPU and the HSE regarding the allocation of funding from the global budget on a yearly basis
- ▶ Based on approval by DPU and HSE funding is released to a channel of funding, who then release the funding to the Projects
- ▶ CDATF receives its funding for Coordination in the same way
- ▶ Some services are open to clients from the whole of the CDATF geographical area, others restricted to their catchment area.
